WHEN SUMMER MEANT SEDUCTION

Welcome to our First quarterly issue of
"The Girls of Summer"!

Yes, we know that the summer is long gone, and we're freezing our butts off everywhere, thinking how great last summer was. The Heat, Surf and Sand, Hot Dogs, and of course the sexy girls hanging at the beach, river, or where ever you hung out last summer.

If you're a bit older, you remember the great Men's magazines at your local news stand. The ones with the beautiful glossy covers and Fantasmic looking women. For those of you who weren't around during the Glory Days of Men's Magazine's, here's your shot!

Our photographers were the best in the world at capturing the Beauty and Erotica of the world's most sensously sensational women. With camera's in hand we spanned the globe for exotic locations, created gorgeous settings, and shot till we knew we got the shots that would wow and excite our magazine readers, and leave them panting for more!

Here at Media Fever we are so stoked to present to you our Premiere Issue, "The Girls Of Summer"! Seven sensational Centerfold layouts of the hottest women, doing their thing, Just for you! Be sure to Subscribe so you don't miss out on what's Beneath the Cover!
